RED FLAG WARNINGS

ACT NOW, Before a Warning is Issued!!!

- Make an evacuation plan and checklist:
  - ❖ Collect all necessary supplies;
  - ❖ Know where you're going to go and what routes are available; and
  - ❖ Keep checklist of pre-evacuation steps visible – near the front door, on the refrigerator, or next to garage door opener

- Know which City AND County evacuation zone you are in and which are around you:

City of Santa Rosa Zones are:

- Oakmont North
- Oakmont South
- Stone Bridge
- Pythian**

Sonoma County Zones are outside of Oakmont:

-Example: The Zone for Sugarloaf Wine Co. across from the Oakmont Drive entrance is SON-3H4

- Example: The Zone for the Kenwood Post Office is SON6A1

** ***Note:*** *The City of Santa Rosa's "PythianZone"* ***does not include Pythian Road inside Oakmont****; the Pythian Evacuation Zone is across Hwy 12 from Oakmont , including Rancho Los Guilicos Road.*

- Make sure you are signed up for multiple alerts, notifications and apps on your cell phone:
  - SoCo Alert: *registration required*
  - CivicReady: *registration required*

apps:
- Pulse Point
- Watch Duty
- My Shake

- Know your neighbors! Know who might need help evacuating. Know who has special skills that might help after an earthquake.

- Keep each person's Go-Bag ready either by the door and/or one in the car; your pet's Go Bag should be next to yours!

- Be sure your pets wear tags and are registered with microchips.

- Have a portable NOAA emergency weather radio:
  - ❖ **Sonoma County NOAA radio frequency is 162.475**
  - ❖ If you are deaf or have hearing loss, there is add-on equipment such as strobe lights and bed shakers
  - ❖ OEPC recommends the Midland 120 model available online (i.e., Amazon)

- **Hi-Lo siren**:
  - ❖ Know what it sounds like and that it means **Leave Now**!
  - ❖ https://www.facebook.com/sonoma.sheriff/videos/240426629981486 **3/30/2024 #3**
